Getting started

Four steps to your first login

1

Open the link

Use the link shared by LIB: app.libeducation.com

→

2

Sign in

Username and password given by LIB

→

3

Set a new password

Change it after your first login

→

4

Add to home screen

Android: Install button. iPhone: Share, then Add to Home Screen

Forgot your password?

- Call or WhatsApp LIB on +91 98453 93178 and we will reset it

Cannot see something?

- You only see your own data. Use Support to report a problem.

Getting help

Three ways to get an answer quickly

Inside the app

- Help button: answers how-to questions
- Support button: report an issue
- Chat: message the admin or your child’s teacher

Contact LIB

WhatsApp / phone: +91 98453 93178

Email: kakali@kakali.in

Website: www.libeducation.com

Good to know

- Issues show a status: Open, In Progress or Resolved
- LIB can reply with a note
- You only see your own information

What you see

One login, one or more children

Your child’s home

- Classes remaining and attended this month
- Pending fee requests
- Classes expiring soon
- Unread chats

Several children?

- Switch between them from the selector at the top
- Each child’s data stays separate

Teacher’s note and AI

- The teacher’s short note, when written
- AI summary of your child’s progress

Attendance and schedule

Month by month

Attendance

- Every class: date, subject, teacher, type, mode, status, remarks
- Choose the month

Class schedule

- Upcoming and past classes with time and status
- Join link for online classes

Subscription report

- Subscribed, used, expired and remaining for each subject
- Full payment history

Fees, receipts and paying

Pay from your phone; the admin confirms

1. **See requests**
   Fee Requests with classes and amount
2. **Select and Pay**
   Tick what you are paying, tap Pay
3. **Pay in UPI**
   Copy the UPI ID; put the unique ID in the note
4. **Payment Completed**
   Tap it, then share the screenshot with LIB Admin
5. **Admin confirms**
   Marked Paid; receipt available

Receipts

- Printable receipt with the LIB logo for every paid payment

Good to know

- Pending requests do not change the balance
- You can cancel an attempt before it is confirmed

AI, chat and help

Answers without waiting

Ask AI

- How my child is doing
- Next month outlook
- Subscription advice
- Uses only your child's data

Chat

- Message the admin or your child's teacher
- Attach files up to 5 MB

Help and support

- Help button for how-to answers
- Support to report a problem
- Change your password at the bottom of the page

ID card and certificate

Your child's ID card and Certificate of Achievement

ID card

- Your child prints the Student ID card from their own login
- Or ask the centre to send it

Certificate of Achievement

- Ask the admin on Chat, Support or WhatsApp
- The admin sends you the PDF
- Photo upload is a must: neither can be generated without it

LEARN

Study Plans

Your child's topic roadmap, set by their teacher

Where to find it

- Open the app and sign in
- Tap **Study Plans** from your child's home screen or the menu
- Pick a subject to see the plan
- If your child takes multiple subjects, each subject has its own plan

What you see

- Topics listed in the order the teacher has set
- Each topic shows the name and optional teacher's notes
- A status tag shows where the topic stands:

Not started	Topic is upcoming
In progress	Currently being covered
Done	Topic completed

Good to know

- Plans are created and updated by the teacher — you see them in read-only mode
- There is one plan per subject for your child
- If no plan is shown yet, the teacher has not created one for that subject
- For questions about the plan, message the teacher through Chat

Quick reference

I want to… where do I go

I want to...	Go to
See attendance	Attendance by month
See classes left	Stats and Subscription report
Pay fees	Fee Requests, then Pay
Print a receipt	Payment history, Receipt
Switch child	Selector at the top
Report a problem	Support button

HOMEWORK NEW

Homework

Stay in the loop on your child's homework

What your child sees

- Homework assigned by the teacher with a due date and description
- Reference files the teacher uploads (worksheets, notes)
- Their marks and feedback once the teacher reviews
- A LATE notice if they have not submitted on time

WhatsApp notifications

- The teacher may send a WhatsApp reminder when homework is due or overdue
- After the teacher reviews the work, a summary with marks and feedback may be sent to your number
- These messages come from your child's teacher, not an automated system
- Make sure your mobile number is saved in the app under Your profile

Need help? We are one message away.
