Getting started and help

Four steps to your first login, and where to get help.

1. **Open the link**
   Use the link shared by LIB: **app.libeducation.com**.

2. **Sign in**
   Enter the username and password LIB gave you.

3. **Set a new password**
   Change it after your first login so only you know it.

4. **Add it to your home screen**
   Android: tap Install. **iPhone:** tap Share, then Add to Home Screen.

FORGOT YOUR PASSWORD?

Call or WhatsApp LIB on +91 98453 93178 and we will reset it.

Getting help

Inside the app

- **Help** button: answers how-to questions
- **Support** button: report an issue
- **Chat**: message your teacher or the admin

Contact LIB

- WhatsApp / phone: +91 98453 93178
- Email: kakali@kakali.in
- Website: www.libeducation.com

You only see your own information. Issues you raise show a status (Open, In Progress or Resolved) and LIB can reply with a note.

What’s new in this edition

The biggest additions since the last guide.

Practice papers

Your teacher can now set full board-style papers. Do them section by section on your phone.

Instant MCQ marks

Multiple-choice questions are marked the moment you submit.

Photo answers

Write long answers on paper and send a photo, just like homework.

Private photos

Your homework and answer photos are private: only you, your parent, your teacher and the centre can open them.

WHERE TO FIND IT

Practice papers appear on your home screen as soon as your teacher assigns one.

Your home screen

Top to bottom, what you will see.

Card	What it shows
Welcome and theme	A greeting, your subjects and 6 colour themes
Badges and XP level	A progress bar to your next level
Stats	Classes remaining, attended this month, fee requests, unread chats
Streak and milestones	Classes in a row and celebration cards
Last month's recap	Classes attended, by subject
Low-balance nudge	A warning when classes run low
Today's class	Time, subject and teacher
Teacher's note	A short note when your teacher writes one
Study plan, homework, practice papers	What your teacher has set for you
Leaderboard	Overall and by subject

XP, levels, badges and streaks

You earn 1 XP for every class you attend.

Level	XP
Beginner	0 to 99
Explorer	100 to 249
Rising Star	250 to 499
Pro	500 to 999
Champion	1,000 to 1,999
Legend	2,000 and above

Six badges, earned from your attendance

Attendance

- **Century Club:** 100 classes
- **Gold Student:** 50 classes
- **Veteran:** attending for 180+ days

Habits

- **All-Rounder:** 2 or more subjects
- **Perfect Month:** no absence, 8+ classes
- **Consistent:** 8+ classes in each of the last 2 months

STREAKS AND MILESTONES

Your streak counts classes in a row. Celebration cards appear at 10, 25, 50, 100, 200 and 500 classes; dismiss each one once seen.

Leaderboard and themes

Make it competitive, make it yours.

Leaderboard

- Overall, plus a tab for each of your subjects
- Top 3 on the podium
- Your own rank shows even outside the top 3
- Monthly; last month shows if this month is empty

Themes

- Pick one of 6 accent colours from the dots on the welcome banner
- Saved for you on this device

Classes, schedule and balance

Know where you stand.

Attendance

- Every class by month: date, subject, teacher, type, mode, status and remarks

Classes remaining

- Subscribed, used, expired and remaining for each subject and type
- A warning when classes are about to expire

Class schedule

- Your classes by month: time, done, overdue and upcoming

Online classes

- Your teacher's join link, one tap away

Study Plans

The topic roadmap your teacher has set for you.

- One plan per subject, set by your teacher. Find it on your home screen or in the menu.
- Topics are listed in the order your teacher chose, with any notes they added.

Topic status

Not started	Coming up
In progress	Being covered in class now
Done	Completed

GOOD TO KNOW

- Only your teacher can change the plan.
- No plan for a subject yet? Your teacher hasn't made one. Ask them on Chat.

Homework

See what's been set, submit your work and check your score.

1. **Open Homework**
   Each card shows the subject, title, due date and status. A **LATE** badge means it's past the due date. Tap a card for the full description and any file your teacher attached.

2. **Submit your work**
   Tap **Submit**, then take a photo of your work or choose one from your gallery. The status changes to **Submitted** and your teacher is told.

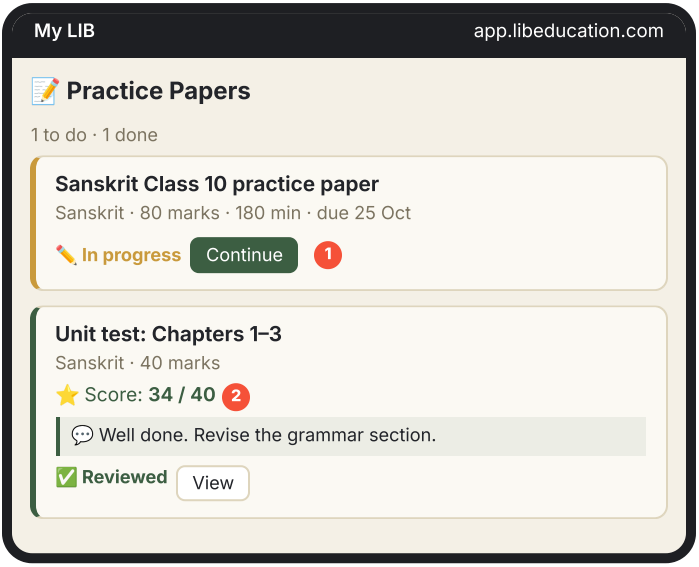

3. **See your score**
   Once your teacher reviews it, the card shows your marks (for example 17 / 20) and their written feedback.

YOUR PHOTOS ARE PRIVATE

Only you, your parent, your teacher and the centre can open them. If a photo stops loading after the app has been open a few hours, tap Refresh.

Practice papers

Board-style papers your teacher sets, done on your phone.

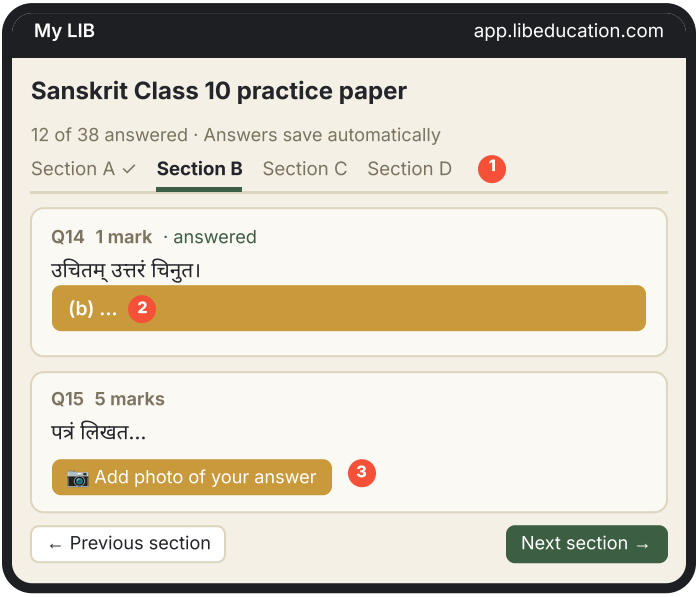

① Start or carry on a paper. ② The score and the teacher's feedback once it's marked.

Paper status

Not started	Assigned and ready to start
In progress	Started; answers so far are saved
Opens on…	Locked until the date shown
Overdue	Past the due date and not submitted yet
Submitted	Waiting for the teacher to mark the written answers
Reviewed	Marked: score and feedback are ready

Doing a practice paper

Work through it section by section. Nothing is lost if you stop.

① Sections (✓ when all answered). ② Tap an option. ③ Photograph written work.

1 **Tap Start or Continue**

Continue picks up where you left off.

2 **Answer each question**

MCQ: tap your choice. **Short answers:** type in Sanskrit or English. **Long answers, letters and translations:** write on paper and tap 📷 **Add photo of your answer**.

3 **Move on, then submit**

Use **Next section →**; answers save automatically. On the last section tap **Submit paper**. The app warns you about any unanswered questions.

Your practice paper results

MCQs are marked instantly; your teacher marks the rest.

- After you submit you can't change your answers. Your **MCQ score** shows straight away.
- Once your teacher has marked the written answers, the paper shows **Reviewed** with your total score and their feedback.
- Tap **View** to see the marks and comment for every question, the correct MCQ option and the **model answer**.

TIPS FOR A GOOD SCORE

- Read the passage carefully before the questions under it.
- Make photos clear and well lit, one page at a time. Tap ✕ to remove a bad photo and try again.
- Check the due date: papers past it show **Overdue**.

Paying your fees

Pay from your own login; the admin confirms.

1. **See your requests**
   Fee Requests lists each request with its classes and amount.
2. **Select and pay**
   Tick what you are paying for and tap **Pay**.
3. **Pay by UPI**
   Copy the UPI ID and put the unique ID in the payment note.
4. **Payment done**
   Tap **Completed**, then share the screenshot with LIB Admin.
5. **Admin confirms**
   It’s marked Paid and the classes are added.

GOOD TO KNOW

- Pending requests don’t count until they’re paid.
- You can cancel an attempt before it’s confirmed.
- Payment history shows each reference and remark, with a printable receipt.

Ask AI, profile and chat
